Well I cant see anything being done if the men could be made to hand over a certain amount of money under fear of conviction that would be the answer (P) the biggest problem is how to do that some of the men here need failed (P) Post money on to wife and have it that only she can lift it say they get £5 a week give it to them on food vouchers (P) Make the men work it too easy for them to get N.A. Money the laugh its its all the drunkan layabouts who get money on the N.A the dont even have to get out of their beds to collect it either - its posted to them (P) N.
