When finished INT, with reference to INFT last  
comment on Poverty - I said, if only it  
were true that slaves work for all those  
that really want it, and he said, 'Well  
'if they're keen in ship-building all their lives  
they're not equipped to do anything else', I  
pointed out that there are teenagers  
who are crying out for jobs in places like  
Glasgow. He said that there were more  
jobs than there were unemployed, and it  
was therefore their fault if they weren't  
prepared to go to places like Birmingham  
and Liverpool where there are lots of  
jobs - they should be prepared to move.

See Social Class → I wouldn't say  
any more.
