

Medical Bd.

~~22~~

Claim to 12 Regional Centres, which send out request for information to G.P. We don't require him to visit but it is generally useful if he does. He states facts. Board has delegated functions to 200 medical staff of Dept. or doctors used for war pensions or ind. injuries.

If he judges evidence adequate he ~~makes recommendation~~ ~~to~~ issues a certificate that medical conditions in act that someone requires attendance are satisfied. Award normally made if certificate issued, but it may depend on residential ~~the~~ qualifications.

No appeal body. But people can appeal for a review. People in War Pensions groups at Blackpool check this & in most cases a med. practice used to these things (e.g. War pensions) visits.

Right of appeal to Insurance Commissioner on question of law.
