## Form of introduction

"My name is X. I'm from Essex/London University. We're preparing a report (writing a book) about standards of living in Britain today and how families manage. We think it's important for the Government and everyone else to know what the facts really are. We're hoping to talk to about 3,000 families throughout the country and I'd be very grateful if you could help us by answering some questions. All our information is, of course, strictly confidential."

This was a very nice woman to interview, really interested in everything. Makes do's & sews all their clothes - won prize for making really beautiful shirt from remnant. Helps at "House bound" party every month for the infirm. Has many stories from her youth, when the whole family helped their father, doing the labouring when he made his wooden boxes & mother varnished them. When there was a ringworm increase in Africa, that was a heaven sent opportunity for them.
