## Form of introduction

"My name is X. I'm from Essex/London University. We're preparing a report (writing a book) about standards of living in Britain today and how families manage. We think it's important for the Government and everyone else to know what the facts really are. We're hoping to talk to about 3,000 families throughout the country and I'd be very grateful if you could help us by answering some questions. All our information is, of course, strictly confidential."

I have coded none of these  
\* here - Inf. has drawn  
about £75 from current A/c  
but no actual savings.

Inf. only has touch of  
rheumatism - not enough  
to disable her - she says  
she doesn't require attention  
from Doctor.

Has been to see her  
Dentist to obtain a new  
set of teeth, but has  
not obtained them yet -  
says she will pay for  
them.

Inf. stays with her  
late husband's brother &  
Family alternate weekends  
Sat - Mon am.

This is a very independant old lady -  
would probably get supp. if she applied -  
but would rather not so long as she  
can 'manage' without. She obviously  
gets help from nephews & Brother in law,  
but only in kind, she refuses their  
offers of money.
