Relieve soc security benefit subject to careful consideration. Not lenient. awaiting asked before paying out soc security benefits. Govt does not need us so really can have bigger share.

* This household was peculiar, full of priceless antiques & carpets. Natural ~~house~~ house w/ long drive with huge lawns around. The front ^{of} sides of this glorious house. Herbert however did not believe in money in the bank. He said he bigger he overought he could get, the better. He also said he hoped his wife would barely have any money w/ her accounts as well. He said it was better to play about with money today, not leave it in the bank.

1980). We are not concerned ~~that~~ they voted for (although they will probably say) but would like to know if they are sufficiently involved to vote at all. Be careful to reassure people that this is confidential and as far as you are concerned non-voting is blameless—many people consider that voting is legally compulsory or morally obligatory and so voting figures are over-estimated. Try to get a clear recollection by fixing the incident (time of day, who they went with) if necessary. Stress National, not local elections.

QUESTION 26 Action on poverty

We are interested in what the informant thinks can be done. Give as full an answer as possible.

Please write in any additional notes.

I do hope this information will suffice. It took 5 visits to this household to get this much information. The husband was generous in giving me 1 3/4 hrs of his time and obviously I can't ask him to do this again. The wife is the local lady of the Manor (democratic) who is out every evening club, WI, Keep Fit, Village Supper, Church functions etc. I have taken weeks to eventually get this far. The husband took some convincing before he would disclose anything of the way of salary. He guided his savings then I asked his wife to send the last included them in his. He was somewhat down & I feel I was most fortunate to extract as much as I did. They are obviously a very wealthy household. The house is worth at least £20,000 & the grounds are beautifully kept. The hall has a minstrel gallery & is large & sumptuous with masses of painting, silver & antiques. New Bedford Master, Excessive kitchen etc. Wife has use of car Volkswagen guided at £600 a week. but will not drive it so it stands here & has only done 14,000 miles that son & husband have done when the other cars were out of action. Son recently married, not 50 but very young. Present house being to be discussed after they return from honeymoon, hence no large gifts yet.
