QUESTION 23 Poor now

Stress genuinely and try to avoid facetiousness at this point. Question 23 (a) explores what the informant understands by feeling "poor". If the word "poor" seems inappropriate use the alternative "very hard up".

QUESTION 24 Poverty

Stress the word "poverty". Do not explain what you think it means if you are asked. Seek from the informant his definition and write it in the box as clearly as you can.

QUESTION 25 Voting

Ask for those old enough to have voted in the last election (March 1965). We are not concerned who they voted for (although they will probably say) but would like to know if they are sufficiently involved to vote at all. Be careful to reassure people that this is confidential and as far as you are concerned non-voting is blameless—many people consider that voting is legally compulsory or morally obligatory and so voting figures are over-estimated. Try to get a clear recollection by fixing the incident (time of day, who they went with) if necessary. Stress **National**, not local elections.

QUESTION 26 Action on poverty

We are interested in what the informant thinks can be done. Give as full an answer as possible.

Please write in any additional notes.

They get helped by the
govt, but off.
Only them that work
and jobs.

Some of the old
people before the govt. doesn't
give them enough
money. They've got to pay
rent and spend on coal.

if able bodied.
The chronic sick and old need
help.

Some can't, and some
won't work - satisfied
to live off the money.
Govt. pays too much
for immigrants.

(b) What would you describe as poverty?

WRITE IN ANSWER

There's been no need for it since the govt. has been helping people. At one time no unemployment pay or paid holidays. If people used the money they got properly nowadays, no need for govt. help. If every able bodied man went to work.

(c) Would you say that if people are in poverty its mainly

X - their own fault?
Y - the Government's fault?
0 - the fault of their education?
1 - the fault of industry not providing the right jobs?
2 - anything else? (SPECIFY)
3 - a combination of (some of) these?
4 - none of these?

WRITE IN ANSWER

It's individual. Ask to be gone into. These immigrants should pay into insurance for at least two years before helped. We have to pay into it and be on and then here, can live here all our lives and not get as much as some of these immigrants are getting !!
