(b) What would you describe as poverty?

WRITE IN ANSWER —

People who through circumstances are unable to have the bare necessities of life. I think it is a crime that there is poverty even though I don't know where fault it is.

(c) Would you say that if people are in poverty its mainly

X - their own fault?
Y - The Government's fault?
0 - the fault of their education?
1 - the fault of industry not providing the right jobs?
2 - anything else? (SPECIFY)
3 - a combination of (some of) these?
4 - none of these?

26. If there is poverty what do you think can be done about it?

nothing

WRITE IN ANSWER —

I think in a great deal of cases parental care is needed. I think some money should be set aside to be used to show people how to avoid poverty. People have the impression that the government is there to provide them with money so they don't try to look after themselves they know they can always get some money from someone.
