26. If there is poverty what do you think can be done about it?

nothing DK

WRITE IN ANSWER

Social Services are adequate but there is not enough Public consciousness. If people were more aware of the situation they might try & get out of it. It's swept under

the carpet. If people were more aware of it & think they might want to do something about it. It wants bringing out into the open - don't know how - government problem.
