(b) What would you describe as poverty?

WRITE IN ANSWER

The aged too proud to apply for supplementary benefits. Lack of reality of the Govt. appreciating the situation of the old living alone on such a palling sum. Secondly the determination of the younger person living on state aid, to put states against the necessities of life.

(c) Would you say that if people are in poverty its mainly
 X - their own fault?
 Y - the Government's fault?
 0 - the fault of their education?
 1 - the fault of industry not providing the right jobs?
 2 - anything else? (SPECIFY)
 3 - a combination of (some of) these?
 4 - none of these?
