 26. If there is poverty what do you think can be done about it?

WRITE IN ANSWER —
Locally, it should be searched out to see why - or what causes this poverty - to see if people are neglecting their duties, I'm thinking perhaps of children - (P) Instead of giving family allowances - in these cases it should be given in kind. Despite all the welfare for old people - there are still old people who don't realise how much help they can be given without going to charity.
