(b) What would you describe as poverty?

WRITE IN ANSWER

*It kind of hard to define that question if you only had £10.00 to live on that is if you couldn't work that would be poverty. I'd have to get a smaller place for one thing. Having to go without food, or a fire all the time. P.N.*

(c) Would you say that if people are in poverty its mainly

ASK CHIEF WAGE EARNER/H.O.H. CODE C.W.E./H.O.H. ONLY  
 26. If there is poverty what do you think can be done about it?

WRITE IN ANSWER

*Oh well thats a question an important one you would have to raise up the money to bring the people up to standard. P.N.  
 an answer tot's to be blamed on employees as well as government for the poor. P.N.  
 Shops like warehouses are run on the cheap too many women in these places and its a bad thing. Well they say we can do without the men and do it a lot cheaper so the hire women and if we want to keep our job we've to keep our mouth shut about the pay. P.N.*
