 26. If there is poverty what do you think can be done about it?

WRITE IN ANSWER —

*free meals on wheels. People like colonels, generals with a good pension shouldn't hang on to good jobs, instead of letting younger people have them. You can hear them on T.V. why do we keep poverty? I don't mean the Queen but the businesses and their families, even their families are supported by the State. All these big functions they have, money could be spent to help people in need.*
