

Table 6 shows percentage of men & women in households which comprise a minority group who are disabled. ~~Single parent~~ The small proportion of disabled persons in single parent families, large families, non-white and Irish households reflects the ~~age structure~~ young ages of members in these groups. A substantial proportion of the long term unemployed are disabled, while over a quarter of the long term sick are disabled.

In general the disability reflects the age structure in each minority group.

The first of these is the fact that the
 system is not a simple one. It is a
 complex one, and it is not possible to
 describe it in a simple way. It is a
 system of many parts, and it is not
 possible to describe it in a simple way.
