I am delighted to hear that you have managed to fix up Mrs. Gibson with new accommodation. This is marvellous news, and I am sure Mrs. Gibson will be very appreciative of all the trouble you have taken.

Dear Prof. Abel-Smith,

Mrs. Gibson

If you have not heard yet from Mrs. Gibson herself I am sure that you will be pleased to learn that, as I heard a few days ago from the Housing Manager, she has been offered, and has accepted, a house in Southgate Road, N.1. She is moving on Monday next.

I have sent her a note of good wishes. I think that my (and Cllr. Mrs. Gordon's) intervention may have helped. and if I am right it gives me some satisfaction, for membership of a Housing Committee nowadays brings far more frustration as far as individual cases are concerned than it brings satisfaction at the knowledge that one has been able to help.

Yours sincerely,
